

Scientists in School, your #1 STEM education charity, presents

Virtual STEM Halloween Parties

Fun, hands-on STEM parties!

Missing out on trick or treating? Party like a spooky scientist!

You'll have an un-boo-lievable time at our CANDY CHEMISTRY virtual STEM (science, technology, engineering and math) Halloween party. Discover the surprising science hiding in a bag of Skittles. Explore solubility, buoyancy, reactivity and investigate the odds of finding your favourite colour. How sweet it is!

Your Halloween party will have:

- ★ Mini kits with materials delivered in advance for each guest
- ★ Secure and seamless party delivery through Microsoft Teams
- ★ Dynamic presenters who are scientists, engineers, technologists and more
- ★ A special e-vite to send virtually to your guests
- ★ Costumes are highly encouraged! ★

TO BOOK: Send your date and time preferences to virtual@scientistsinschool.ca
