

SCIENTISTS IN SCHOOL PRESENTS

Scientists in Situ

Fun, hands-on virtual STEM workshops, led by a presenter, wherever you are.

Workshop Topics

60 minutes/15 children/Ages 4-12

Candy Chemistry

Discover the surprising science hiding in a bag of Skittles. Explore solubility, buoyancy, reactivity and investigate the odds of finding your favourite colour. How sweet it is!

Sticky Science

Get sticky with it! Discover the science of sticky. Make your own glue from food products and test them to see how they hold. Create your own sticky art. And of course, there will be silly putty!

Mix It Up!

Learning chemistry is fun when it's all about food. Investigate solubility, explore dilutions and have fun making a suspension you can mold. Welcome to the wonderful world of food science.

Up and Down, All Around

Explore how things move! Discover the science behind a magic trick, defy gravity by creating a balancing bird, and engineer an elastic racer to chase down Newton's Laws. We'll be on the move!

Workshop Fee: \$195

How to Book:

1. Contact us to book a 60-min workshop for your library, daycare or community group. Suitable for ages 4-12. Maximum 15 participants.
2. Science kits will be delivered to your site so you can distribute individual kits to your participants.
3. We will email you a Microsoft Teams workshop link to share with your participants.
4. Sign on at the scheduled time and your presenter will take you on a hands-on science adventure. Enjoy!
