

SCIENTISTS IN SCHOOL

presents

Scientists in Situ

Fun, hands-on virtual STEM workshops,
led by a presenter, wherever you are.

How to Book:

1. Contact us to book a 60 minute workshop for your library, daycare or community group. 60 minutes | 15 children | For ages 4-12
2. Science kits will be delivered to your site so you can distribute individual kits to your participants.
3. We will email you a Microsoft Teams workshop link to share with your participants.
4. Sign on at the scheduled time and your presenter will take you on a hands-on science adventure. Enjoy!

Scientists in School is a leading Canadian science education charity (867139537RR0001). www.scientistsinschool.ca

OUR VIRTUAL STEM WORKSHOP TOPICS: FOR COMMUNITY SETTINGS | FEE: \$195

Candy Chemistry

Discover the surprising science hiding in a bag of Skittles. Explore solubility, buoyancy, reactivity and investigate the odds of finding your favourite colour. How sweet it is!

Colour My World

Colour is everywhere! Without it our world would be a very dull place. Use colour to watch water defy gravity, explore rainbows and create a sun catcher. Use chemistry to create new colours. Curious? Come and explore some colourful science.

Sticky Science

Get sticky with it! Discover the science of sticky. Make your own glue from food products and test them to see how they hold. Create your own sticky art. And of course, there will be silly putty!

Investigate It!

Be a detective! Test your powers of observation and deduction as you use forensic science to solve the mystery of the missing car. Fingerprints, footprints, handwriting analysis and more... Can you identify the culprit?

Mix It Up!

Learning chemistry is fun when it's all about food. Investigate solubility, explore dilutions and have fun making a suspension you can mold. Welcome to the wonderful world of food science.

Up and Down, All Around

Explore how things move! Discover the science behind a magic trick, defy gravity by creating a balancing bird, and engineer an elastic racer to chase down Newton's Laws. We'll be on the move!

Want to know more? We're happy to help. Contact virtual@scientistsinschool.ca, or 905-837-9626/1-866-678-3434.
